

February 2016

Goodbye January, hello February! We have had a very busy but enjoyable month, learning about the life and times of Robert Burns. The children have done a wonderful job of learning their Scots Poems and Songs for the Scottish Assembly.

Our context for learning for the rest of this term is Space. The children have been keeping up with the activities of Commander Tim Peak on the space station and are looking forward to learning more about our galaxy. We hope to arrange an educational excursion to enhance children's learning.
